HOMEWORK GAP SOLVED IN 3 EASY STEPS

30% of all public K-12 students lack adequate connectivity in their homes. The $1.9 trillion American Rescue Plan Act includes an Emergency Connectivity Fund (ECF) to eligible schools **to cover 100% of costs** to build broadband networks to provide sustained high-speed internet within their communities for free.

Apply

We remove the complexity of applying for the ECF and other grants

Fund

We deliver a turnkey solution using your ECF funding (separate from your existing E-rate)

Build

Our industry experts design, deploy and manage the network

Act Now - Limited Window of Time

New federal funding combined with wireless broadband advancements provides the best opportunity to bridge the digital divide to ensure the success of America's students. Engage us as your trusted advisor to successfully bridge the homework gap in your school district.
