Smartphone Enablement:

DAS & Small Cells
Repeaters & Signal Boosters
CBRS Neutral Host Networks

Devices, Sensors and Controllers:

Wi-Fi
CBRS Private Wireless Networks
IoT LPWAN

Public Safety and FirstNet:

Public Safety DAS
Public Safety BDAs

RF | CONNECT[®]

WHY RF CONNECT?

Technology & Funding-Agnostic
Self-Performing (No Outsourcing)
Best-of-Breed Partnerships
Proven Process
20 Years of Service & Innovation

RF Connect Services:

Network Planning:

Business Value Generation
Site Survey
Network & RAN Design
Obsolescence Mitigation

Technology Deployment:

Unlicensed (Wi-Fi)
Public Cellular & Public Safety
Private Cellular (CBRS)
IoT LPWAN
Signal Sources, SIMs, Devices

Funding:

Operating Lease
Network-as-a-Service
Subscription-based
Carrier Contribution Negotiation

Managed Services:

24x7x365 NOC Monitoring
Troubleshooting & Diagnosis
Repair & Replacement SLAs
Technology Lifecycle Refresh
KPIs & Analytics
